

Coronavirus (COVID-19) – Visitors Policy

Please be advised that the College Policy with regard to guests, conference delegates and non-member visitors is that the College is NOT in a position to provide accommodation for the purposes of self-isolation and/or medical care, and require individuals and organisers to positively assent to the following expectations and understandings:

- That they have not recently travelled from, or knowingly been in contact with someone who has travelled from any of the named countries listed in Public Health England advisory information <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public> without having undergone the advised action relating to 14 days self-isolation before arriving at the College.
- That they are not presenting flu-like symptoms and that if they were, they have been screen tested in the UK through NHS 111 service and been given a negative result.
- That during their time in College, they will act in a way so as to avoid the spread of the virus through their best endeavours as recommended by the NHS <https://www.nhs.uk/conditions/coronavirus-covid-19/>
- **Do:**
 - cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze.
 - use the 'Catch it, bin it, kill it' advice.
 - put used tissues in the bin immediately
 - wash your hands with soap and water often – use hand sanitiser gel if soap and water are not available
 - try to avoid close contact with unwell people
- **Don't:**
 - touch your eyes, nose or mouth if your hands are not clean
 - shake hands if this can be avoided.
- That if during their visit to Clare Hall, they start to feel unwell and/or start to present with flu-like symptoms including a fever, a cough, or difficulty breathing, they will make immediate telephone contact with the College Porters' Lodge (01223 332 360) and self-isolate in their room pending further instruction.
