CLARE HALL CAMBRIDGE

Dear {NAME}

Our Anniversary year is off to a great start. The "Let's Party like it's 1966"- party was a sell-out and huge success, some people even claimed to remember what it was like to party in 1966. Through the year there will be more activities: Anniversary Lecture series, May Ball, and our Alumni week of events in August. We also want to encourage Life Members wherever they live to celebrate with us. I am taking the opportunity to travel with the Vice-Chancellor to Asia, and am very much looking forward to meeting Life Members in Singapore, Hong Kong, Kyoto and Tokyo during April. I also urge you to support our 50th Anniversary Campaign to raise much needed funds for the college.

David Ibbetson, President

50th Anniversary Book

To commemorate the 50th Anniversary of the college, we have commissioned the publication of Clare Hall: A 50th Anniversary Portrait. A full-colour, richly illustrated book which chronicles the development of the college from its inception to its plans for the future, from the perspective of those who were there. Read contributions from the earliest founding Fellows, former Presidents, Research Students, Visiting Fellows, friends and

Life Member Events

In this Anniversary year we are celebrating throughout the year with many events to reconnect with our Life Members and friends. We appreciate that not everyone lives in Cambridge, so we are holding events throughout the UK and the world. We currently have events in Vienna; Texas; Singapore; Hong Kong; Tokyo; Berlin; Melbourne. Later in the year we will be holding Clare Hall events in San Francisco, Boston, Bilbao and many other places. Please look at our Life Member pages on the website for more details.

50th Anniversary Campaign

Clare Hall was founded through the philanthropic support and thinking of Clare College and other supporters. As we mark our 50th year, the College needs to maintain and further increase the endowment of the College to ensure the next 50 years. To achieve this we have established our 50th Anniversary Campaign to help fundraise for the core areas of supporting students, enhancing college life through sport, music and the arts, and building for the future. We hope that you will want to learn more about
