Life Member News, February 2021

Dear Clare Hall Life Members,

We hope this message finds you safe and well. As spring approaches here in the UK and Clare Hall looks to begin gradually opening up again following government guidance, we're delighted to present a new regular Life Member e-newsletter featuring a range of updates from the College.

Find details below of live virtual events from Clare Hall, including an In Conversation with artist Mark Cazalet this Thursday evening, which promises to be fascinating.

The College is also sharing a range of news from Life Members and students, via our website and new blog. We're always keen to hear your news, too, so please do get in touch now and going forward.

With best wishes from the President's Office
