

# University of Cambridge Freshers' Events

## Schedule of Online Events 2023

### What are Freshers' Events?

Around the world in August and September, University Alumni Groups will be hosting online welcome events for new students starting a course at the University of Cambridge this term. These optional events are a great opportunity to hear from current and former students about their experiences of Cambridge and meet other new starters.

Please note that these events are not intended to provide information about what the forthcoming academic year will look like in response to the coronavirus. Please contact your College, Department or Faculty for this information.

### Can't find an event near you?

If you are unable to attend a Freshers' Event, or can't find one near you, why not contact any of the 420+ Alumni Groups worldwide to ask about their experiences of Cambridge? Visit [alumni.cam.ac.uk/group](https://alumni.cam.ac.uk/group) for details.

### Contact

Please contact the Alumni Engagement team if you have questions about Freshers' Events, by emailing [networks@alumni.cam.ac.uk](mailto:networks@alumni.cam.ac.uk).
